

Dedicated Care and Wellbeing Support for Older People

We believe care should be more than just meeting needs, it should empower people to thrive.

We are an experienced and reliable team of professionals. We recognise that everyone is unique and offer personalised care with a proactive and creative approach.

Chris Gage and Nathan Harris founded Thrive Homecare with the aim of improving the level of care available to older people, enabling them to achieve the best possible quality of life.

Our team is made up of Health & Wellbeing Associates, a title that reflects our holistic approach to care. We go beyond just assisting with daily tasks, we focus on enhancing overall wellbeing, ensuring those we support feel valued, comfortable, and engaged in life.

"We want people to get the best possible care and support, whatever that may look like for them as individuals.

Let's Live Life in Colour!"

Chris Gage, CEO

Our holistic approach also cares for the wellbeing of our colleagues, offering workshops, coaching, regular check-ins and a supportive, collaborative environment. By looking after our team, we can provide the best service to you.

About Us

How Can We Support You?

We offer a range of services designed to enhance quality of life. Whether you'd like a friendly face to visit a couple of times a week or more regular support, we're here to help.

Our companionship and live-in support is available across Kent, Medway, East Sussex, Surrey and London.

For daily care visits, our local teams are based in Ashford, Canterbury and Whitstable.

Every person we support has a personalised Care & Wellbeing Plan and regular visits from one of our Wellbeing Specialists to ensure they are enjoying the best possible quality of life.

Companionship

Regular visits to reduce loneliness, and provide a gentle introduction to support.

Daily Care

Flexible daily visits to support independent living at home.

Live-In Care

Round-the-clock, one-to-one support from consistent carers who live in the home.

Wellbeing Support

Our subscription service for those at home or in a care home, with regular check-ins and a plan for improving overall wellbeing.

Dementia Care

Specialist dementia care tailored to the individual, what matters to them and how they experience the world.

Admin & Practical Support

From arranging appointments to online shopping, we can take the stress out of those essential life admin tasks.

Why choose us?

Finding the right care for someone you love can be overwhelming and challenging. You want more than just someone to pop in and tick off a task list. We know that transformative care extends beyond merely addressing basic needs. We believe in helping people thrive, not just survive.

We create an integrated and personalised Care & Wellbeing Plan for everyone we support, with measurable outcomes.

We take a creative and proactive approach to care. Helping people to find joy in the every day.

We focus on improvement in quality of life rather than maintenance.

We're a team of highly experienced professional experts and specialists.

From a holiday for someone living with dementia to securing a celebrity birthday message - we like to say 'let's make it happen'!

We provide industry leading training and a wellbeing programme for all our colleagues.
